## **Industry Committee Schedules First Meeting May 17**

The Industry Committee, a newly established standing committee of the Arkansas Science & Technology Authority's Board of Directors, will meet at 12:30 p.m. Friday, May 17th., in the first floor conference room of the 1515 Building in Little Rock. This initial meeting will acquaint Committee members with the Arkansas Manufacturing Extension Network (MExN), an Authority Project.

The public and media are invited to attend.

For additional information regarding the Industry Committee or (MExN), contact Julie Welch Vice President MExN at 501-324-9006.

## **EPSCoR Committee Meeting Scheduled for June 14**

An Experimental Program to Stimulate Competitive Research (EPSCoR) Committee meeting has been scheduled for 1:30 p.m. Friday, June 14, in the large conference room of the 100 Main Street Building, Little Rock, Arkansas. This will be an informational meeting on the status of all the EPSCoR programs.

The general public and media are invited to attend.

For additional information regarding the EPSCoR meeting, contact Joyce Sadler Research Assistant at 501-324-9006.
